2nd Annual Meeting
"Molecular & Cellular Neurobiology"

29 November 2002 - 9 a.m.
"Alte Mensa", Becherweg 5
Campus universitatis, Mainz

IAK-Neuro Poster Prize

The Interdisciplinary Science Network "Molecular and Cellular Neurobiology" will award a prize of €250 for the best poster at its 2nd Annual Meeting.

Criteria for selection will be (in this order of priority): scientific content, methodology, comprehension and clarity of the contents, quality and aesthetics of the poster. The main body of the work presented should reflect a diploma or Ph.D. project. The poster presenters are asked to send applications (maximum one and a half pages) to aid the selection committee in evaluating the scientific content of the poster.

It should include the following: applicant's name, institute address, date of birth, current position, poster title, name of co-authors if applicable, scientific context and problems relevant to the work, results, conclusion and outlook, a list of methods used, and finally a brief statement defining the applicant’s and co-authors’ contributions. Please send applications to A. Prokop or H. Lüddens. The deadline is October 30th, 2002.
